Hello Sarah,

I hope you are well and staying safe during this pandemic.

I wanted to reach out because I just got off the phone with SLO Martinez about the above location. He sent me photos of how bad it has gotten on this street. They have arrested people down there for running an illegal chop shop on the street, they are collecting the evidence now with detectives, but they need help with the rest. I know we can't do comprehensive clean ups at this time, but we need to send a team to clean up what is left to help deter more activity. I submitted the SR# above on 5.1.2020 but it is still pending. Please let me know if you would like me to submit another. I have attached the photos SLO Martinez sent me. Any help with this would be greatly appreciated! Looking forward to hearing from you, take care.

Best,
